The taxonomic sequence and nomenclature used in this list follow the Checklist of North American Birds, 7th Edition, American Ornithologists' Union, 1998, updated through the 53rd Supplement, 2012 (Auk 129(3):572-588, 2012).

Colorado Field Ornithologists (CFO) is a non-profit statewide organization devoted to the study conservation, and enjoyment of Colorado's birds. CFO's activities include reviewing sightings of rare birds through the Colorado Bird Records Committee, publishing Colorado Birds: The Colorado Field Ornithologists' Quarterly, conducting field trips and workshops, and holding annual conventions. CFO also owns and manages COBirds, the Colorado birding community's online mailing list. To join COBirds or CFO, or for more information, visit us online at http://www.cfobirds.org. http://www.cfobirds.org.

The Colorado Bird Records Committee (CBRC) is a standing committee of the Colorado Field Ornithologists. The CBRC maintains records documenting bird distribution and occurrence in Colorado, and archives these records at the Denver Museum of Nature and Science. Through these efforts, the CBRC maintains the Charge and for mithologists authoritative bird lists for the state of Colorado and for each of its counties.
